dbstore.online

Software Engineer with 10+ years of experience in web application development, frontend engineering, enterprise software products, and reliable user interfaces for complex business workflows. Recent work focuses on Opera MES, frontend delivery, software design, maintainability, usability, performance, and long-term product reliability.

EXPERIENCE

Software Engineer

CYBERTEC / Jun 2024 - Present / Hybrid

Continuing development of Opera MES after OPEN DATA was acquired by CYBERTEC, with broader engineering focus across frontend development, software design, system improvements, product maintenance, usability, performance, and reliability.

Opera MES / Software Design / Frontend / Enterprise Product

Frontend Developer

OPEN DATA Srl / Jun 2018 - Jun 2024 / Skopje, Macedonia

Built and maintained web-based user interfaces for Opera MES, a Manufacturing Execution System used for complex production workflows, with emphasis on usability, reliability, reusable UI, and long-term maintainability.

JavaScript / HTML5 / CSS / REST API / Production Workflows

IT Administrator

Winner - Vienna Insurance Group / Mar 2017 - Jun 2018 / Macedonia

Maintained internal IT infrastructure, network reliability, data collection scripts, web platform operations, and day-to-day technical support for users.

Networking / IT Support / Scripting / Web Platform

Frontend Developer

Armedia / Jul 2016 - Mar 2017 / Macedonia

Worked on ArkCase, focusing on frontend maintenance, bug fixing, CSS issues, modals, forms, layout consistency, usability, and application stability.

ArkCase / JavaScript / AngularJS / Forms / CSS

Frontend Developer

Vorteks ED / May 2015 - Apr 2016 / Skopje

Worked on Move One, a transport and relocation management product, contributing to frontend UI development and maintenance with Stylus, jQuery, and Backbone.js.

Move One / Backbone.js / jQuery / Stylus / CSS

EARLIER EXPERIENCE

Web Application Intern

Artisoft / Dec 2014 - Apr 2015

Built web applications with ColdFusion Markup Language and Oracle SQL Developer.

ASP.NET Intern

ProCredit Bank / Oct 2014 - Dec 2014

Worked on a report implementation application using ASP.NET Web Forms and SQL Server 2012.

GIS Intern

GISDATA company / Jun 2011 - Jul 2011

Gained experience with Geographic Information Systems for the ESRI ArcGIS platform.
